cc: Miss Barry

February 25, 1947

Dear Mr. Bjerke-Petersen:

I have again spoken to Miss Barry, who has your outline. She assures me that she will write you very soon, though I am afraid she will not be very encouraging since it is most difficult to find the financial support for such a complicated film.

I am delighted to know that you are opening a school. I wish you every success.

Sincerely,

AHB [understreget]
