TRANSCRIPTION

835 East Walnut St.

Long Beach, L. I.

Dear Mr. Barr,

Many thanks for your letter of Jan. 13 about my film idea.

I don't know whether you or the Film Library are still working with the matter, but if you have finished the inspection and could now give me some advice, I would be glad to get the sketch back.

I will take this occasion to inform you that I have just opened a School of Fine Arts, where I will continue the ideas from the teaching of Kandinsky and Klee in Bauhaus, of course with attention to the new realities in art.

Sincerely yours

Vilh. Bjerke Petersen.
